Whether you're a seasoned trivia pro or just starting out, this book is sure to entertain and inform you. So grab a copy today and start stumping your friends with your newfound knowledge.

Here are a few sample questions from the book:

- What is the name of the world's largest ocean?
- What is the capital of France?
- Who painted the Mona Lisa?
- What is the chemical symbol for gold?
- What is the name of the tallest mountain in the world?

These are just a few of the many questions you'll find in this book. So what are you waiting for? Grab a copy today and start stumping your friends with your newfound knowledge.

Here are some of the unexpected stories behind the answers to the questions in this book:

- The Pacific Ocean is the world's largest ocean, but it is not the deepest. The deepest ocean is the Atlantic Ocean.
- The capital of France is Paris, but it was not always the capital. The capital of France used to be Reims.
- The Mona Lisa was painted by Leonardo da Vinci, but it was not originally called the Mona Lisa. The original name of the painting was "Portrait of Lisa Gherardini, wife of Francesco del Giocondo."
- The chemical symbol for gold is Au, which comes from the Latin word "aurum."
- The tallest mountain in the world is Mount Everest, but it is not the tallest mountain from base to peak. The tallest mountain from base to peak is Mauna Kea in Hawaii.

These are just a few of the many fascinating stories you'll find in this book. So grab a copy today and start stumping your friends with your newfound knowledge.
