Are you ready to take your Salesforce administration skills to the next level? Hands On Suite is the comprehensive guide that will help you master all aspects of Salesforce administration.

Written by a team of experienced Salesforce administrators, Hands On Suite covers everything from the basics of Salesforce to advanced topics like data management, security, and automation.

With Hands On Suite, you'll learn how to:

- Configure Salesforce to meet your business needs
- Manage users and permissions
- Create and manage custom fields and objects

- Automate processes with workflows and triggers
- Secure your Salesforce data
- Troubleshoot and resolve Salesforce issues

Hands On Suite is packed with real-world examples, exercises, and quizzes to help you learn and retain the information. You'll also get access to exclusive online resources, including:

- A downloadable PDF of the book
- A searchable online index
- A forum where you can ask questions and get help from other Salesforce administrators

Whether you're a new Salesforce administrator or a seasoned pro, Hands On Suite is the resource you need to master Salesforce administration.

Free Download your copy today and start your journey to becoming a Salesforce administration expert!
