

New Christ: Divine Filiation - The Book That Will Change Your Understanding of Christianity

Synopsis

In his groundbreaking book 'New Christ: Divine Filiation,' renowned theologian and author Charles Anang delves into a profound exploration of the nature of Christ and our relationship with the Divine. With meticulous research, compelling arguments, and thought-provoking insights, Anang presents a revolutionary perspective on Christianity that is both intellectually stimulating and spiritually transformative.

Challenging traditional interpretations of the Bible, Anang argues that Jesus Christ was not merely a historical figure but rather an embodiment of the Divine, sent to reveal our true nature as children of God. Through the concept of 'divine filiation,' he proposes that we are all inherently connected to the Divine and possess the potential to manifest our own Christ-consciousness.
