The story follows a group of friends who decide to spend a night in a supposedly haunted house. At first, the night is all fun and games, but as the hours pass, strange things start to happen. The friends begin to hear noises, see shadows, and feel cold spots. As the night goes on, the scares become more and more intense, and the friends realize that they are not alone in the house.

Brereton does an excellent job of building suspense and creating a sense of dread. The atmosphere of the house is palpable, and the reader can feel the tension and fear that the characters are experiencing. The scares are

well-paced and effective, and the reader is never quite sure what is going to happen next.

The characters are well-developed and relatable. The reader can easily identify with their fears and motivations. The friendships between the characters are believable, and the reader cares about what happens to them. Brereton also does a good job of exploring the themes of friendship, loyalty, and courage.

The Sleepover is a thrilling and atmospheric ghost story that will stay with you long after you finish it. Perfect for fans of the supernatural, this novel is a must-read for anyone who loves a good scare.
