Thought Was On The Way To Work But Was On The Way Home is a book that will change the way you think about life. It is a thought-provoking and inspiring read that will leave you feeling motivated and empowered.

The book is divided into three parts:

1. The first part, "The Way to Work," explores the challenges and obstacles that we all face in our daily lives. Surname provides practical advice on how to overcome these challenges and achieve our goals.
2. The second part, "The Way Home," focuses on the importance of finding our purpose in life. Surname shares her own personal story of

how she found her purpose and how it has changed her life.

3. The third part, "The Way Forward," offers a glimpse into the future and what Surname believes is possible for us all. She challenges us to dream big and to never give up on our dreams.

Thought Was On The Way To Work But Was On The Way Home is a must-read for anyone who is looking to live a more meaningful and fulfilling life. Surname's writing is clear and concise, and her insights are both profound and practical. This book will stay with you long after you finish reading it.
