Brown spent years interviewing nuns from all over the world. She spoke to women who had taken vows of poverty, chastity, and obedience. She learned about their hopes and dreams, their fears and doubts. She discovered that nuns are just like any other women. They have the same needs and desires. They fall in love. They get sick. They struggle with faith.

But nuns also have a unique perspective on life. They have chosen to live a life of service to God. They have dedicated themselves to a higher purpose. And this gives them a strength and resilience that is truly inspiring.

*Unveiled* is a fascinating and eye-opening look into the lives of nuns. It is a book that will challenge your preconceptions and inspire you to live a life of
